Sunday Lunch Chats – May 10

What makes a person trustworthy?

Read Deuteronomy 1:26-33

The Israelites had finally arrived at the promised land. Why didn't they want to go in?

What had God done for the Israelites before they arrived at the promised land? How had he shown that he was trustworthy?

God is the one who would conquer the promised land for the Israelites. How has God won impossible battles for us with Jesus?

How do you know God is trustworthy?

How do we know God has stayed the same?

What are you worried about? Have you prayed about your worries? Why or why not?

Prayer: Pray in thanks that our God is trustworthy and the same. Pray for the things you are worried about together.
