

Sermon Outline

The law and the promise

Anna Hoole

Galatians 3:7-25

God's law and God's promise

- God's promise came before God's law (v7-9)
- God's law is unable to save (v10-12)
- Christ redeemed us from God's law so we could receive God's promise (v13-18)

So what's the point of the law?

- The law exposes our sin (v19-20)
- The law guarded us until we could receive the promise (v21-25)

The law exposes us. But grace transforms us.

- ...so ask God to expose your sin, so that you can be blown away by his grace
- ...so stop adding to the message of grace

My next step in response to God's Word today is...
