Nehemiah's Wall Cut and Glue

Nehemiah led the people to rebuild the wall around Jerusalem to protect them from their enemies. The bricks on the next page show the names of some people who helped build the wall.

1. Cut apart the bricks.
2. Glue them on this page to build up the wall.
3. Your wall will show how the people worked together to get the job done.

How do you work together with the other people in your church to do God's work?
