

Sunday Lunch Chats

Sunday Lunch Chats – March 29

Brainstorm as many examples of people in the Bible who forgave others.

Do you think they would have found it easy to forgive? Why or why not?

When is it hard to forgive someone?

Even when it is hard to forgive someone – imagine what would it look like to work hard at forgiving that person?

How do you think you can show Jesus' grace in some way this coming week?

Pray for your opportunities to share Jesus' grace, and for help to forgive when it is hard.
