

Silly Putty 3 -in -1

Just like ingredients in a recipe, we need all the parts to make what we want. If silly Putty was called Oobleck, it would still be the same thing. God may be called by different names but he is still the same God

Father

God is our Dad who lives in heaven.

Son

God is Jesus. He came to earth to save the world from sin

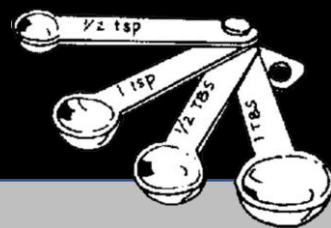

Holy Spirit

God lives inside our hearts and helps us do what is right

Put 1 tablespoon of water in a bowl

Mix in 3 drops of food colouring
