Sunday Lunch Chats – April 26

What have you inherited from your family (appearance, personality, likes/dislikes)?

Read Galatians 4:4-7

What did Jesus do so we could be a part of God's family?

These are some of the things that God does for us when we are part of his family. What is your favourite part of being in God's family? Why?

Jesus loves everyone in God's family, and those not in God's family too. What is a next step you could take in:

- Loving others in God's family
- Loving those not in God's family

Prayer: Thank God for all he brings us as part of his family. Ask him for help in loving his family and those not in God's family.
