## Sunday Lunch Chats – May 17

How do you know when someone is paying attention? How do you know when they aren't?

### Read Deuteronomy 4:5-14

What did the Israelites need to observe carefully?

What would happen if they observed the laws and decrees carefully?

What were the things the Israelites had seen that they shouldn't forget (v9)?

What should we observe carefully if we are going to follow God today?

What are the things God has done for us that we should make sure not to forget? How can we remember them?

Do you think you are:

- Paying close attention to God?
- Kind of listening to God?
- Listening more to God?
- Ignoring God?

*Prayer: Pray in thanks that God has made us in people in Jesus. Pray that God would help you listen and pay attention to what he says to you in the Bible.*
