Sunday Lunch Chats – May 31

What things are just too hard for you to do? Why?

Read Deuteronomy 10:12-15

In verse 12, what is God asking the Israelites to do?

Why does he say to follow them?

Why is God choosing the Israelites so amazing? What is it about God that makes that surprising (see verse 14)?

What does God ask us to do for our own good? How do we know it is good?

When do you find it hard to live God's way? What makes it hard?

Prayer: Pray that God would help you follow his way for your own good. Give thanks that he loved us enough to choose us and save us in Jesus.
